FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

☒ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.

☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

CERTIFICATION

This report must be certified, as follows:

- A. By licensee, if an individual;
- B. By a partner, if a partnership (general partner, if a limited partnership);

The purpose of this document is to remind broadcast station licensees of their equal employment opportunity responsibilities and to provide the licensee, the FCC and the public with information about whether the station is meeting these requirements.

GENERAL POLICY

A broadcast station must provide equal employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

A broadcast station must also encourage applications from qualified minorities and women for hiring and promotion to all types of jobs at the station.

I. RESPONSIBILITY FOR IMPLEMENTATION

A broadcast station must assign a particular official overall responsibility for equal employment opportunity at the station. That official's name and title are:

It is also the responsibility of all persons at a broadcast station making employment decisions with respect to recruitment, selection, promotion, compensation, training and termination of employees to ensure that no person is discriminated against in employment because of race, color, religion, national origin or sex.

II. POLICY DISSEMINATION

A broadcast station must make effective efforts to make management, staff, and prospective employees aware that it offers equal employment opportunity. The Commission considers the efforts listed below to be generally effective. Indicate each practice that your station follows. You also may list any other efforts that you have undertaken.

- ☐ Notices are posted informing applicants and employees that the station is an Equal Opportunity Employer and that they have the right to notify an appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.
- ☐ Our station's employment application form contains a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.

- ☐ When we place employment advertisements with media some of such advertisements are placed with media which have significant circulation or viewership, or are of particular interest to minorities and women in the recruitment area. The FCC will use labor force data for the MSA in which your station is located, or county data if the station is not located in an MSA, to evaluate your station's equal employment efforts. If you use these data in your evaluation, you need not submit them to the FCC.

Dear Licensee:

Review of our station files reveals that the special temporary authority permitting noncommercial, educational FM Station WHSK to remain silent expired September 30, 1995. Further, our records do not indicate that the station resumed operations pursuant to the minimum operating schedule requirements of Section 73.561 of the Commission's Rules or that a request to extend the terms of the Commission's April 24, 1995 letter was filed.

Request for Special Temporary Authority

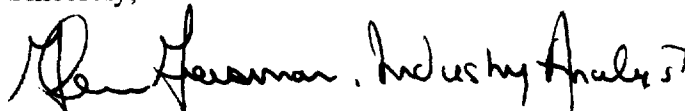

Dear Licensee:

This letter concerns your request for special temporary authority to permit FM Station WHSK to remain silent.

You indicate that your tower "was destroyed by a storm some time ago," and that you do not currently have the budget to replace it. However, you state that you "have been given permission by the school to pursue potential grants in aid from local businesses" to build the new tower and update your equipment. You anticipate resumption of operations by the next school year.

Accordingly, special temporary authority is granted through September 30, 1995 to permit noncommercial, educational FM Station WHSK to remain silent. Please note that any prescribed tower lighting must be maintained during this period, and that this office must be notified upon resumption of broadcast operations.

Sincerely,

 Dennis Williams
Chief, FM Branch
Audio Services Division
Mass Media Bureau

Mr. Greisman:

I apologize for this handwritten letter and its lateness. I had to get approval to request this hold on our license and by the time we completed this, I did not have access to a typewriter or computer.

Please allow student radio station WHSK to be granted temporary special permission to remain silent. Our broadcast tower was destroyed by a storm some time ago, forcing us to go off the air. In the time since, we have not had a sufficient budget to rebuild it. At this point I have been given permission by the school to pursue potential grants in aid from local businesses such as ~~Delco~~ Delco Electronics to build a new tower, update our equipment and get back on the air very soon (hopefully in time to broadcast for next school year or before). This should be in time to integrate nicely with the school's technology plans.

I appreciate your call earlier

this month and making me aware of our situation. I hope this letter is sufficient for our purposes. If you have any further questions or information, please feel free to contact me at school after 1-3-95 at (317) 455-8040, at home after 3:00 p.m. at (317) 453-1908 or by mail at Kokomo High School South Campus, 2501 S. Request for Special Temporary
Authority

Dear Licensee:

This letter concerns your request, filed April 29, 1992, for special temporary authority to permit FM Station WHSK to remain silent.

You state that the station remains silent while the licensee studies alternatives to its current situation. You indicate that the WHSK's tower may be either rebuilt or relocated, and that the Kokomo School Corporation is renovating many of its buildings, including the high school where the station is housed. Your request also includes the required certification that neither the licensee nor any party thereto is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.¹

Accordingly, special temporary authority is granted through August 18, 1992 to permit FM Station WHSK to remain silent. No extension of this authority is contemplated absent detailed substantial progress towards resolving the station's problems.

Sincerely,

Ed Jorgensen

DEAR MR. GREISMAN:

IN RESPONSE TO YOUR LETTER 8920-GDG, I WOULD LIKE TO APOLOGIZE FOR THE ERROR ON MY PART WHICH HAS LED TO THE CURRENT SITUATION. I WAS UNAWARE THAT I WAS TO INFORM THE FCC OF OUR SILENT STATUS.

I AM REQUESTING SPECIAL TEMPORARY AUTHORITY TO REMAIN SILENT. THE REASON WE DID NOT NOTIFY YOU OF THE SITUATION WAS OUR LACK OF KNOWLEDGE THAT WE WERE IN FACT SUPPOSED TO DO SO. AT PRESENT, WE ARE STUDYING THE POSSIBILITY OF EITHER REBUILDING THE TOWER AT ITS PRESENT SITE, REBUILDING THE TOWER ON SCHOOL PROPERTY AT ANOTHER SITE, OR RELOCATING THE TOWER AND REQUESTING ANOTHER FREQUENCY SO THAT WE COULD GET A BETTER SIGNAL. OUR CORPORATION IS GOING TO BE RENOVATING MANY OF OUR BUILDINGS, INCLUDING THE HIGH SCHOOL WHERE WHSK IS HOUSED, AS WE PREPARE FOR THE 21ST CENTURY AND CONSEQUENTLY WE ARE BEING CAUTIOUS AS WE TRY TO PLAN FOR THE FUTURE USE OF THIS STATION.

I HAVE INCLUDED THE SECTION 6301 CERTIFICATION.

I HOPE THIS PROVIDES YOU WITH SUFFICIENT INFORMATION TO GRANT TEMPORARY AUTHORITY TO REMAIN SILENT. IF YOU REQUIRE FURTHER INFORMATION PLEASE CONTACT ME AT 1-317-454-7000.

THANK YOU VERY MUCH.
